1. Visas

A visa is an endorsement on a valid passport of a foreigner, which is confirmed by examination by an Immigration Officer at the port of entry, granting that person the authority to enter Zambia. The validity of the visa is not the period in which the holder is entitled to remain in the country but a period within which the holder has to enter Zambia. As such foreign nationals are required to use other instruments offered by the Department to remain in the country legally.

Foreign nationals wishing to enter the country fall within one of the three (3) distinct categories below:

- Nationals who do not require visas in order to enter Zambia;
- Nationals requiring visas on arrival or Missions Abroad; and
- Nationals required to apply for visas prior to their travel to Zambia.

Visit our website for up to date lists of nationalities falling in the three (03) categories

A. Types of Visas

The Department issues the following types of Visas:

**Single Entry Visa** – A Single Entry Visa allows the holder to enter Zambia only once during the validity of the visa.

**Double Entry Visa** – A Double Entry Visa allows the holder to enter Zambia twice during the validity of the visa.

**Multiple Entry Visa** – A Multiple Entry Visa allows the holder to enter Zambia multiple times during the validity of the visa. Multiple Entry Visas shall only be issued by Immigration Headquarters through the e-visa facility.

**Note:** Single, Double and Multiple Entry visas shall be valid for ninety (90) days from the date of first issuance, with the exception of nationals from the United States of America for whose Multiple Entry Visas have a validity of three (3) years, on mutually agreed reciprocal basis.

**Transit Visa** – Transit Visas are issued to nationals who require visas to enter Zambia and are transiting through using land transport and shall be valid for a maximum period of seven (07) days.
Day Tripper Visa - A Day Tripper Visa is issued at a port of entry to a tourist who visits Zambia for a period of less than 24 hours and makes exit through the same port. The facility will also apply to tourists visiting Zambia and wish to visit a neighboring country and re-enter within 24 hours.

**C. KAZA UNIVISA**

The Kavango Zambezi Transfrontier Conservation Area (KAZA TFCA) is a conservation area, spanning five Southern African countries; Angola, Botswana, Namibia, Zambia and Zimbabwe, centred around the Caprivi Chobe-Victoria Falls area. In pursuance of regional economic development through tourism, the Republics of Zambia and Zimbabwe, with support of the World Bank in partnership with the KAZA TFCA Secretariat, embarked on the development of the KAZA UNIVISA Pilot Project with the aim of facilitating easy movement of tourists between the two countries.

The KAZA UNIVISA Pilot Project was launched on 28th November 2014 with an initial period to run for six months and later extended for a further six months. On 21st December 2016, Zambia and Zimbabwe launched the roll out phase of the KAZA UNIVISA in Livingstone, Zambia, where the Ministers of Home Affairs from both Zambia and Zimbabwe signed a Memorandum of Understanding symbolizing the commencement of the permanent issuance of the KAZA UNIVISA. It is the desire of both Zambia and Zimbabwe that the roll out phase shall lead to the ultimate incorporation of the other three partner countries into this initiative.
The KAZA UNIVISA allows tourists to obtain one visa to visit both countries multiple times. The visa is valid up to 30 days as long as the holder remains within Zambia and Zimbabwe. It also covers those who visit Botswana for day-trips through Kazungula Borders.

This visa is not available online and can currently only be obtained at the following ports of entry in Zambia:
